Apr. 14 - 17, 2019 • Hangzhou, China

Exhibition At The Workshop

It is with great pleasure that we cordially invite you to participate in the 4th Global Ocean Acidification Observing Network (GOA-ON) International Workshop, organized by State Key Laboratory of Ocean Environment Dynamic, Second Institute of Oceanography, State Oceanic Administration, China from 14-17 April 2019 in Hangzhou, China. The GOA-ON Workshop is expecting approximately 400 participants from all over the world to attend, present their research, and contribute to fruitful discussions.

The exhibition will be held throughout the course of the GOA-ON Workshop and has been designed to provide the best possible promotional opportunities to participating organizations. Tea breaks with refreshments will be served in the exhibition space.

For details of how to organize an exhibition on-site, please contact Dr. Samuel Wang (samuelwang@sio.org.cn) for inquiries.

More information on exhibition instructions will be updated soon!
